Examiner Barnie,

I am looking forward to my interview with you on June 2, 2005 at 11 am EDT. During the interview, I would like to discuss the independent claims and the § 103 rejection over Kang (6,836,653) in view of Vendetti et al. or Tell et al. Patrick Jewik, who is another attorney at our firm, will be joining us for the interview. We plan on calling you in your office.

One area I would like to discuss during the interview is the method of electronically displaying said first zone on a first map of a first geographical area. In my review of Kang, I have not been able to find a discussion of at least these claim elements in the cited reference.

Sincerely,

Craig C. Largent, Reg. No. 56,400
